

**Visit of defence personnel under 'Jai Jawan Kisan' programme sponsored by Directorate General Resettlement (DGR), Ministry of Defence, Govt of India organised at IIOR on 03-11-2023.**

A total of 39 officials from Army, Navy and Air Force visited ICAR-IIOR under 'Jai Jawan Kisan Program' aimed at encouraging and motivating the defence personnel to take up agri-based enterprises in their post-retirement. The officials were exposed to key areas of the potential and possibilities of taking up agri based activities in oilseeds pertaining to technology adoption, seed production, value chains, soil testing and mechanization. The personnel were shown the agri business incubation activities of the institute pertaining to bio control production and processing of edible oils.
